Dear Don:

This letter is in response to your letter of October 31, 2001.

First, with respect to your position at our firm, because you were unwilling to sign any of the proposed non-equity partnership agreements, the first of which was presented to you on or about January 11, 2001, there was no change in your associate status. While you and I assumed that we would be able to work out the terms of your designation as a non-equity partner, we were unable to do so. Our series of correspondence on this issue speaks for itself.
